Dear Friends

As we open our curtains in the morning and look around the countryside, we realise we are in 'the season of mists and mellow fruitfulness' At our annual flower and produce show, we witnessed colourful selections of fruit, vegetables and flowers, which displayed not only the skill of our gardeners, but also the fertility of the soil. In church we have been celebrating our harvest thanksgivings and in the village halls, harvest suppers are always a special occasion to gather together for a delicious meal, with friends and neighbours.

So why do we celebrate harvest? From Old Testament times God's people were encouraged to bring the first fruits of the harvest as an offering to God and then they were to be distributed not just amongst themselves, but among those who were needy around them. Through our harvest worship, we have been supporting the work of the Lord's Larder in Yeovil, which is finding increasing demand for its services.

In doing this we are following Jesus' concern for those who were at the margins of society. When crowds followed him to a deserted spot, in response to the disciples' concerns, he used the five loaves and two fishes to make a miraculous provision for everyone. When the wine ran out at a wedding, Jesus transformed 30 gallons of water into the best wine! He wanted us not just to survive but to have life in all its abundance. So, it is right that, at this time of year, we are thankful for all the good things of life that we enjoy. In the words of a popular harvest hymn, 'All good gifts around us are sent from heaven above, so thank the Lord, O thank the Lord, for all his love.'

Diocese News in brief

24-hour Wave of Prayer

For 24 hours, a wave of prayer spread across the Diocese of Bath and Wells, as people came together to pray for the growth of church and the transformation of their communities. Events took place right across Somerset, from intimate prayer gatherings in homes and churches to outdoor events and online prayer walls. The Archbishop of Canterbury joined the wave travelling from Bath to Wells, then on to Bridgwater, Nailsea and Frome. He met and prayed with young people, farmers in an agricultural market, he met church communities and shared in prayer with them, and he opened a newly created prayer space. Elsewhere churches held their own events as they came together in prayer with and for their communities.

A place to pray

A former gardener's shed has been converted into a 24-hour prayer space at St Mary's Church in Frome. It is part of overall plans to establish a prayerful community around the and in the old vicarage. A growing community meets fortnightly to explore different approaches to prayer - Ignatian, Taize, Centering, Northumbrian and others. The Prayer Shed, officially opened by Archbishop Justin, will be available for prayer 24 hours a day.

Highlighting the issues of modern slavery through art.

The Lord Lieutenant of Somerset, Mohammed Saddiq, is to open an art exhibition organised by Hidden Voices Bridgwater at Taunton Minster on 18 October to mark Anti-Slavery Day. The exhibition runs from 18 - 23 October. On 20 October Bishop Michael will speak at Evensong at the Minster. Local artists have donated works for the exhibition that illustrate the realities of modern slavery. It's hoped the power of art will help convey the urgent and often hidden nature of this human crisis.

FIR VILLA COMMUNION

Home Communion is celebrated once a month with residents & staff. Please call Penny Holt for more details on 01935 850354.

This all does depend upon available staff and there are delays at present, caused by staff shortages. Recycling Centres are open for winter times.

Letter from Bishop Trevor Willmott
Assistant Bishop for the Diocese of Bath
and Wells
A light which shines in the darkness

The custodial sentences imposed on many of those involved in the recent riots in communities across our country have highlighted, yet again, the issue of criminal justice and the pressures and strains within the prison system. The seemingly ever-increasing size of the prison population; the appalling conditions within many of our older prisons, especially those in our inner cities; the almost total lack of provision for education and rehabilitation and an apparent unwillingness by those elected to Parliament to consider whether the whole of our justice system needs a radical overhaul have all resulted in much media comment.

But one part of the prison system which has not been mentioned is the invaluable role played by those who serve as Chaplains. Prison and restorative justice have been a constant thread almost throughout the whole of my life beginning with my first visit, while still in my teens to what was then called a Borstal.

Since then, I've had the privilege of working with chaplaincy teams across the whole of the prison estate. I've witnessed at first hand the extraordinary work done those teams, lay and ordained, of all faiths, working together to witness to God's love in Christ and caring for all those in the prison system, both staff and prisoners. I've often said to those on the outside, if you want to know what true collaborative ministry looks like in practice, look no further than a chaplaincy team. While each member remains true to his or her particular faith, the barriers which often divide people of faith have no part in that shared work of witness and service.

Sadly, all too often, the work of Chaplaincies not just in prison but in all aspects of our human life, in education, hospital, mental health, care homes and many other places, is barely known – that is, until we need their care. But Chaplaincies are the yeast which leaven our society. The light which shines in the darkness. Society, as we long and pray for it to be, would be the poorer without them.

+ Bishop Trevor Willmott

THE RAIN REPORT (August)

August rainfall totalled 40.5 mms (1½ Inches), with 8 wet days, well below the average of 69 mms (2¾ Inches). The first 3 weeks of the month were quite dry with just 11 mms (½ inch) and 4 wet days. It would have been an exceptionally dry month, but for Saturday 24th when more than half of the months rain, 23.5 mms (1 inch) fell in one day.

The driest August I have recorded was 2022, with 15 mms (½ inch) and the wettest 1997 with 167.5 mms (6½ inches).

With 2 thirds of the year gone, it's looking like it might finish up a fairly wet year. Rainfall to date has been 639 mms (25 inches) well above the average for this period of 510 mms (20 inches). Traditionally the autumn months October, November and December are the wettest months of the year, so we might be heading for a total above 1,000 mms (39 inches). There has only been 5 of these in the last 32 years. But who knows? Certainly not myself.

Marston Magna & Rimpton
WI Report for September 2024

This month we had an excellent speaker from The American Museum in Bath. Her name was Wendy Booth Boyd and she worked there as a volunteer and was very informative and gave us a history of the Museum, the garden and present day contents.

The Museum was created by Dallas Pratt and his partner John Judkyn, and the collection includes early American furniture and artefacts and pictures. The garden has recently had a revamp and looks beautiful with new planting and sculpture placements, there is the obligatory cafe but on this occasion with an American twist. One of the collections within the Museum are American quilts, of interest to the sewing fraternity. Well worth a visit.

The WI would like to thank the Summer Fair Committee for a donation which enabled us to pay for more expensive speakers.

Next month, on the 14th we have a speaker talking about millinery with opportunities to try lots of hats and fascinators on.

Visitors are welcome.

Notes from Marston Magna Village Hall

We have quite a few events planned for this autumn and tickets are now on sale.

HARVEST SUPPER on Saturday 12th October at 7pm.

This Harvest Supper is an integral part of our village and its history. We get the chance to recognise the impact, and appreciate the dedication of, all those who bring us food. Our village has a healthy number of farms and farmers who work hard to feed the nation, so come and share in the abundance of the harvest.

We now have the capacity to serve high quality hot food. So come and enjoy a fun evening with Somerset nosh from the extraordinary Kathy Lawrence, a glass of wine and fun chat! Traditional food served with an added sparkle and deserts galore.

Where can you get all that and more for £12.50 pp (kids under 12 £6)???

The Bar will be open, raffle (any prizes gratefully received) some music and other distractions.

A perfect way to meet and chat to people you "ought to know" or "would like to know". The Harvest Supper, along with bingo, are our main fundraising events that keep the hall functioning, so please come and support your community.

Tickets from the committee or
paulfcopp@gmail.com

Scarecrow Competition

Over the last few years Marston Magna and Rimpton have gained a reputation for being fun and welcoming villages. Part of the success has been down to the impact of our SCARECROWS. In 2022 there were 18 entries, and in 2023 there were 30; can we get 50 up this year?

The competition will run for the whole month of October... so get cracking. There is no theme but be as wild and creative as you wish. Judges will be the children of the village at 12 noon on Saturday 2nd November (Meet by Church in MM for walk about). Prizes for the best 3.

If you live off the beaten track, please place your scarecrow in a viable place or near the busier roads.

Quiz and Curry – 23rd November

We are having a wonderful fun evening of a Quiz and Curry on Saturday 23rd November in the village hall 6pm.

The format will be teams of 6 people, some fun table questions, then 4 rounds of quiz, a break for 5 different types of CURRY with all the trimmings, then 4 more Quiz rounds. Finish circa 9.30pm, but bar will remain open.

There will some questions and curry for every taste (veg options too).

Prizes for winners, raffle and bar. £12.50 pp and £8 under 18. Only 60 places.

Paulfcopp@gmail.com to book your place. Come as a team or we can join you up with others to make teams.

CHRISTMAS CAKES. There will not be a craft fair (but I believe still a bacon butty and coffee morning – 16th November) in Rimpton this year but I will still be making Christmas cakes. If you would like one, please let me know, send me a message with your name and number and I will get back to you. I will be making my usual small Christmas cakes, and they will be ready for you to come and look at or buy in December. I look forward to seeing or hearing from you.

MARSTON MAGNA VILLAGE HALL SHORT-MAT BOWLS THURSDAYS 2.30-4.30PM

If you would you like to try short-mat bowls, then why not come along, we started our new season on **Thursday 5th September**. We are a small friendly club and play for fun. No experience needed, just a pair of flat shoes; bowls can be provided. We would love to see you! For more information, please contact

Marlene and Tony Green on 01963 220943.

THE MARSTON INN

As the summer is dying away, we will be making sure the pub is warm and welcoming. The sofas in the family room are a cosy place to sit especially with the fire on.

The food is continuing to take off, we believe we are serving good, meals and will mix the menu up as the seasons change. The menu and times are on display outside and on the Facebook page. Pre booking is recommended as it avoids delays in service. We are still looking for an assistant cook, so we can continue to improve. Homemade soup & a roll will be coming soon to take the chill off your bones.

The tables in the stone walled dining room are dressed for meals and are a very nice place to have a quiet meal. We are taking bookings for small parties for the Christmas period. Menu is yet to be set.

The pool table is quite successful in the skittle alley & is a bigger space to enjoy. We are looking for new pool team members to play Wednesday nights, the league is starting in January. Just ask at the bar.

It seems we are beginning to attract more customers from the outlying regions, some of whom are returning after many years. This is very encouraging, but it would be lovely to see more locals making the most of the village asset.

We now also have a basic but effective method of disabled access through the Sherborne Road door, and this gives access to the main music bar, the family room, this means the Ladies toilet is now designated unisex for this reason. This is simply a best-efforts basis and is not fully compliant.

Dates for the music diary, October. .

Saturday 5th, Due to a private function, we are unable to serve the usual menu, but we are still open through this event.

Saturday 19th "Wear It Pink" day. In aid of Breast cancer awareness, the band are "Salt of the earth", more details on the Facebook pages, even the Marston Village Facebook

As always, thanks to everyone who encourages us to keep improving for the benefit of all.

THE FLOWER AND PRODUCE SHOW **2024**

This year's Show was held on 7th September. We had 195 entries for the 50+ classes with some magnificent displays of vegetables, fruit, plants and flowers. 8 trophies were won, and countless scones were eaten once the doors opened for tea.

We owe many thanks to the organisers and helpers: the planners, the computer operators on the day who handled all the entries, the growers, the bakers, the tea-makers, the many people who turned up to set-up and again to clear-up - a real village effort! One family's children shone with their biscuit decorating skills, amongst other things - so we're looking forward to seeing them next year.

Please consider entering in 2025. It's a lot of fun and it really doesn't matter if you know what you're doing or not! It's a nice tradition in the village, with most villages holding similar events.

It's been suggested that next year's Show is held on 16 August 2025, and we'd welcome your views on any aspect of the Show.
